

# Studies in the Legal History of the South

**Studies in the Legal History of the South** explores how law has affected the development of the American South and, in turn, how the history of the South has affected the development of American law. Each volume in the series focuses on a specific aspect of the law, such as slave law or civil-rights legislation, or on a broader topic of historical significance to the development of the legal system in the region, such as issues of constitutional history and of law and society, comparative analyses with other legal systems, and biographical studies of influential southern jurists and lawyers.

## SERIES EDITORS

**Paul Finkelman** is the President William McKinley Professor of Law and Public Policy and senior fellow in the Government Law Center at Albany Law School. He has published more than twenty books, one hundred articles, and numerous op-eds on the law of American slavery, the First Amendment, American race relations, American legal history, the U.S. Constitution, freedom of religion, and baseball and the law. He is currently writing a history of John Brown's Raid at Harpers Ferry.

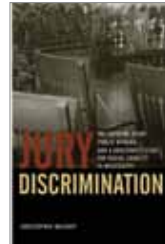

**Timothy S. Huebner**, L. Palmer Brown Professor of Interdisciplinary Humanities and Chair of the Department of History at Rhodes College, specializes in the history of the American South and United States constitutional and legal history. He is the author of *The Southern Judicial Tradition: State Judges and Sectional Distinctiveness 1790—1890* and *The Taney Court: Justices, Rulings, Legacy*. He is coeditor, with Kermit Hall, of *Major Problems in American Constitutional History: Documents and Essays*, second edition. He is currently writing an undergraduate textbook on the Civil War and Reconstruction period.

"The role of federal judges in the civil rights movement has been studied thoroughly, but Emanuel has a larger story to tell about the man who served as chief judge of the largest appeals court in the South during the heyday of court-ordered racial desegregation. Emanuel knew the judge, has mined his working papers, and writes with a sure feel for this modest man who cast such a large shadow over his adopted South."
